

Bayside Adventist Christian School

By wisdom a house is built, and by understanding it is established. Proverbs 24:3

Our Philosophy

We believe in educating the complete individual, including the spiritual, intellectual, physical, and social aspects of each student.

A high degree of excellence in education is pursued in all areas.

God is recognized as the ultimate source of existence and truth and all aspects of the school program are structured in light of this truth.

Our goal is to provide a safe environment in which caring Christian teachers point their students to the Creator-God.

Our Mission

To operate on the belief that each student is unique and of inestimable value;

To focus on the development of the whole person;

To endeavor to reach out to difference cultural and ethnic students in our community; and

To provide a safe environment where students realize that they are God's children
